Ecclesial Invitation

Dear Brothers and Sisters,

Our annual study weekend is rapidly drawing near and we now offer an invitation for your members to join us for a weekend of spiritual rejuvenation and fellowship around the theme

"Gideon: Darkness and Light"
to be led by Matt Teal, Hunter Valley Ecclesia
14th-15th September 2024

The attached poster outlines the details of the programme which includes two studies on Saturday at 3.00 and 4.30 and the exhortation at 11.00 on Sunday. Dinner is provided by our catering committee on Saturday at 6.00.

Please announce the weekend next Sunday, place the poster on your noticeboard, and perhaps email your members. The invitation is open to your members who may wish to attend any or all of the activities.

We look forward to your company.

Yours in fellowship,

Georgia Pogson
